## **EXTENSION COURSE 2024-2025**

### **Importance of Catechism in the Life of a Christian**

The term “**faith formation**” and “**Christian Education Classes**” have been used interchangeably. Education is an important part of shaping the faith of all disciples. To be shaped by God’s love in Christ, we need to first comprehend, what it means for God to love us, and how God wants us to radiate this love in all facets of our lives. Faith formation, on the other hand, extends far beyond the classroom. Faith formation is the primary mission of the Church: to equip followers of Jesus Christ so that they can be sent out into the world to spread God’s kingdom. Faith formation is essentially the process by which our faith grows and lives.

In this extension course, St Peter’s Institute takes on the mission of equipping followers who will then go out into the world to spread God’s love, which occurs at the parish level from children to adults.
